

VENICE INDIAN BASKETBALL

"Pride in Defense"

HEAD COACH: STEVE CAVALLARO

Can We Count on You?

Dear Potential Sponsor,

The Venice Boys' Basketball Staff is developing a highly successful and educationally sound program. Our philosophy is simply based on the concept of doing what is in the best interests of our student/athletes. We, the basketball staff, truly believe basketball is an important part of a young man's educational experience. Through our program, along with basketball fundamentals, we aspire to teach "life's lessons" to our players; such as how to face adversity and overcome it, making a total commitment, placing another cause in front of themselves(teamwork), and not only being a first class basketball player but also a first class person.

In order to provide this type of first class program, the demands far exceed the means of a public school budget. A few of our immediate needs are an end of the year banquet in which we honor our players efforts, a summer camp in order to teach young players the proper fundamentals as well as the proper athletic attitude, a locker room facility, various playing apparel, and lastly, the funds to provide our financial needs student/athletes with the same opportunities as our other student/athletes, such as team camps, team sneakers, and meal money.

We can offer a number of advertising opportunities for you and/or your organization. Our opportunities include a 2' x 4' banner in our gymnasium for the upcoming season, your logo on our T-shirts, and advertisements in our game program.

Again, I strongly believe we have begun the most educationally and fundamentally sound basketball program in the area. I also believe this is a great opportunity and time to get involved with the growth of our teams! If you have any questions, please feel free to contact me. Thank you for your time and support of the Venice Boys' Basketball Program.

Sincerely,

Steve Cavallaro

Head Coach
